## Caran d'Ache: PABLO

Dry, permanent leads

Excellent luminance and opaqueness

Wide range of colors

- Superior permanent colored pencils for highest requirements.
- Perfect for mixed media applications, can be used with Supracolor Aquarelle pencils and Neocolor pastels.
- 120 colors in assortments and available individually
- Lead: soft permanent, 3.7 mm, very economical due to their exceptional covering power
- Shaft: hexagonal with pencil end sealed with the same color cap as lead, marked with color name and code.
- Bright colors with excellent lightfastness.
- Constructed with premium grade Cedar.
- Certified: FSC, Forrest Stewardship Council.
- Conforms to EN71 (CE).
- Soft lead requires the use of a sharp, high quality pencil sharpener.

## Techniques:

### Layering and hatching

Subtly graded hues applied locally in transparent or opaque layers can create a natural painterly effect.

### Brushing out

Lay down a design with Supracolor watercolor pencils, then apply a layer of Pablo on top. Work over the subject with a moist brush to bring out the design again.

### Decoration

The covering capacity and brilliance of Pablo permanent color pencils can be seen in their full effect on various types of paper and other art surfaces.
