### Caran D'Ache: SUPRACOLOR

- Created to the highest standards for art students, professional artists, designers and illustrators
- Conforms to ASTM D-4236
- **120 colors** in highly concentrated water-soluble pigments, available in sets and separate colors
- Lead: soft, water-resistant leads, Ø 3.8 mm, very economical thanks to their exceptional covering power, excellent lightfastness
- Pencil: hexagonal, body in the same color as the lead, marked with color name and bar code
- Packaged in metal box
- Best cedar wood
- Certified FSC Forest Stewardship Council
- Techniques: Crosshatching, graded applications, watercolor effects, washes, unlimited blending possibilities, mixed media - can be combined with Pablo permanent colour pencils, Neocolor I & II pastels and gouache.
- Recommended for works on big surfaces
