Caran d'Ache:

NEOCOLOR II

Water-soluble Pastels

Wide color range of wax-based water-soluble pastels

High pigment concentration for bright opaque colors

Excellent lightfastness

- Water-soluble artists' pastels, soft and easy to work, strong bright colors, very economical thanks to their exceptional covering power.
- Superior quality water-soluble artists' pastels for the most exacting applications.
- 84 colors, available in assortments and individually.
- Perfect for dry or wet drawings on all artist materials, water color effects, washes and sgraffito.
- Conforms to ASTM D-4236.
- For color availability and assortments, see color chart.

Color Chart (PDF)

Techniques:

Rainbow technique

Pick up the graded colors from a smooth palette and place the brush flat on the paper.

Watercolors

Make a sketch and sprinkle it with water and allow the colors to dilute. Pick up colors from the palette and paint in wet as watercolor. Apply Neocolor II into smooth paper and spread it into the design with a stiff brush.

Wash and varnish

Hold the pastel flat and draw on moistened paper. Color the design with a brush full of Neocolor II. Cover the dry layers with a transparent layer.
