

artWORK

The **artWORK** collection is a one-of-a-kind product that has been made to satisfy the professional and creative needs of those with a passion for art. Every detail comes from careful study and it is made using high-quality paper to satisfy the needs of students and artists. It's ideal to be used with different techniques from dry to wet, for markers or sketching. As in all the products that we make, even the *artWORK* line is produced with cellulose certified FSC[®] from forests managed according to rigorous environmental, social, and economic standards.

artWORK is made in two types:

artWORK book – Sewn bounded notebook with a hard cover and elastic closure, rounded corners and can be opened at 180°. It's available in two formats: 15 x 21 cm and 19 x 25 cm.

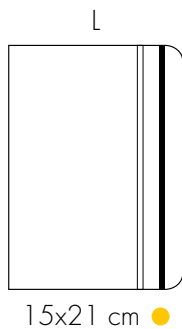

artWORK pad – Spiral bound pad with microperforated sheets, a semi-hard cardboard cover and a thick, hard backboard. It's available in three versions: *Sketch*, *Draw*, and *Paint* in the 24 x 33 cm format.

artWORK book is perfect for drafting sketches and designs in the studio or outside in the open. This notebook for sketches is made from high-quality paper that supports a wide range of artists' tools and offers an optimal resistance to erasers. Every *artWORK book* transforms itself into an archive of your works of art and has the following characteristics:

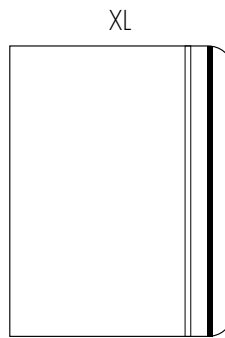

- 128 blank pages "SKETCH" in 160 gram paper, 32 dotted pages "DESIGN" in 120 gram paper, and 32 pages of semi-transparent pages "SHARED IDEAS" in 95 gram tracing paper that is perforated and detachable.

Developed for professionals and for anyone with a passion for art, *artWORK book* leaves space to observations and to the imagination to create sketches and designs from your world.
